

# CITY OF ARTESIA SOLID WASTE AND RECYCLING GUIDE

## REMEMBER ON COLLECTION DAY

- 1 The carts should be placed at the curbside no later than 6:30 am on collection day and removed from the curbside within 12 hours after service.
- 2 The carts should be placed with the handles and wheels facing towards your home.
- 3 Place carts side-by-side approximately 1 foot apart & at least 3 feet from any obstruction (i.e. vehicles, fire hydrants, trees).
- 4 Items placed outside of carts will not be collected. Cart lids should be closed. Please do not overload.

691020R-ART-FT

## TEMPORARY COLLECTIONS

Larger waste collection containers (from 3 yards to 40 yards) are available for clean-up projects and other disposal needs. For additional pricing details

or to arrange for a delivery of a larger container to your residence or business, please call CR&R

Customer Service at 866.949.9694.

### ADDITIONAL SERVICES AVAILABLE

## BULKY ITEM COLLECTION

Items that cannot fit in your automated carts are considered bulky items. Bulky items must be manageable by a two-person crew.

Examples of Bulky Items include:

***Couches • Tables • Desks • Mattresses • Chairs • Excessive green waste***

Each residential customer is entitled to (4) bulky item pick-ups free of charge per calendar year. A bulky item service may include a combination of large items or bags of materials. Additional pick-ups may be arranged for a nominal charge.

## WHITE GOODS

White Goods or household appliances containing Freon are picked up similar to a bulky item. Refrigerators contain Freon and other chemicals that require special handling. CR&R will collect bulky items and white goods from your curbside.

## E-WASTE

Electronic Waste (e-waste) is anything with a circuit board or battery. It is illegal to dispose of e-waste in any of your automated carts. CR&R will collect and legally dispose of and recycle these items via our bulky item collection service. Examples include monitors, televisions, computers, cell phones, and printers.

[illegible]

Hazardous wastes are products that are flammable, corrosive, reactive or toxic. This includes batteries of all types, as they are considered hazardous waste in California when they are discarded. Therefore, it is illegal to dispose of them in regular trash or recycling; so don't place them in CR&R containers. This includes batteries of all types and sizes Alkaline (AAA, AA, C, D, 9 volt), Lithium (button cell, power tool batteries, camera batteries, other electronics), Ni-Cad (power tools), and battery types both rechargeable and single use. Batteries can be collected as part of your service or taken to one of the following:

- household hazardous waste disposal facility
- local retailer (Home Depot, Lowes, Best Buy, Staples, Ikea, etc.)

**Why is it important? When lithium batteries are improperly disposed of they can cause fires in recycling centers, landfills, and garbage and recycling trucks.**

For additional information: <http://www.calrecycle.ca.gov/reducewaste/batteries>

Examples of HHW include:

**Fluorescent light tubes • Household batteries • Latex or water based paint**

**Non empty aerosol cans • Thermostats • High intensity discharge lamps**

You may use one of the County of Los Angeles Household Hazardous Waste (HHW) drop-off centers or collection events to properly dispose of any HHW. For hours of operation or more information on County of Los Angeles Household Hazardous Waste centers and collection events, contact the Los Angeles County Sanitation Districts at 562.908.4288 ext. 2301 or visit [www.lacsd.org](http://www.lacsd.org).

## SHARPS

Sharps disposal mail-back containers are available upon request at no charge. The mail-back container allows residents to safely and properly dispose of sharps waste including needles, injector pens, and syringes. Sharps disposal mail-back containers are available for pickup at Artesia City Hall free of charge. Please show a valid driver's license or your current CR&R Bill as proof of City of Artesia residency. There's also option to dispose of sharps via Los Angeles County Sanitation Districts, find more information at [www.lacsd.org](http://www.lacsd.org).

**Holiday Schedule: Non-Collection Days**

New Year's Day	Memorial Day	Independence Day
Labor Day	Thanksgiving Day	Christmas Day

If the holiday falls on a Saturday or Sunday, trash will be collected on your normal collection day with no delays to your pickup. If the holiday falls during the work week, collection for the remainder of the week will be delayed by one day. For example, if Independence Day falls on a Monday, and your normal collection day is on a Thursday, your pickup for that week will be on Friday.
