

CITY OF STANTON SOLID WASTE AND RECYCLING GUIDE

710421R-ST-FT

REMEMBER ON COLLECTION DAY

- 1 The carts should be placed at the curbside no later than 6:30 am on collection day and removed from the curbside within 12 hours after service.
- 2 The carts should be placed with the handles and wheels facing towards your home.
- 3 Place carts side-by-side approximately 1 foot apart & at least 3 feet from any obstruction (i.e. vehicles, fire hydrants, trees).
- 4 Items placed outside of carts will not be collected. Cart lids should be closed. Please do not overload.

TEMPORARY COLLECTIONS

Larger waste collection containers (from 3 yards to 40 yards) are available for clean-up projects and other disposal needs. For additional pricing details or to arrange for a delivery of a larger container to your residence or business, please call CR&R Customer Service at 714.372.8272.

RECYCLE COOKING OIL & GREASE

Why recycle cooking oil and grease?

- **COOKING GREASE** poured into a kitchen drain will clog pipes in your home and city sewers...
- **CLOGGED SEWER LINES** can cause sewage to be released into city waterways, harming the environment...

Recycling fats, oils, and grease helps keep our waterways and city clean!

Recycling cooking oil in the City of Stanton is FREE and EASY! To arrange a curbside delivery, exchange, or removal of a container, simply call CR&R's customer service.
