

City of Wildomar

Voucher Community Clean-Up Program

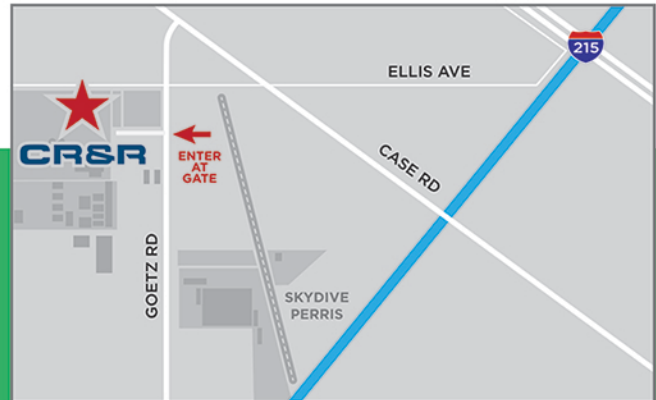

This improved program will once again take the place of the regular one-day fall clean-up and will be available to Wildomar Residents only. The program will allow residents to dispose of their large items and other debris at the CR&R Perris Transfer Station located at:

1706 Goetz Road Perris, CA 92570

October 1st thru December 31st, 2025

Hours: Mon-Fri., from 7 a.m. to 5:30 p.m.

Saturday 7 a.m. to 4:30 p.m.

By participating in the voucher clean-up program, you will have more flexibility in choosing when you would like to use this service. Why line up early and wait in line on a specific Saturday morning when you can choose when you want to clean-up around your house? The choice is now yours. You can pick and choose what day you want to come and dispose of your unwanted items at your convenience.

This year, we have tripled the amount of times you can use your vouchers! Each residential household can now use this service up to three times during the Community Cleanup time period (October 1- December 31). Safety vests will be required and available. Please return them after using. Please make sure you bring your valid picture ID with your voucher to the transfer station.

We will also provide FREE COMPOST again this year. You can load up as much as you would like, while supplies last. Bring shovels and containers!

Simply scan the attached QR Code to get your voucher today or come by Wildomar City Hall to sign up!
